The board is hand painted in Muizenberg in front of Xpressions on the beach by the talented Brett Field. If you are in the area, sign your # . If you are anywhere in the world, send your love comment to # in the next post. Here are some tips on how to get started: 1. Buy high quality pencils (like Winsor & Newton) that won't crumble or break! 2. Grab some blank boards and a pencil 3. Mark your board to remember where you color it and don't forget! fffad4f19a
